

« Destination » Logo

French version

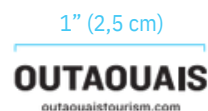

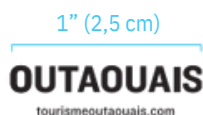

Safety margin – no visual element or text may appear in this area.

Unit for measuring safety margin (the “O” in the logo)

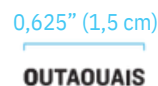

English version

Minimum size

Version without a web address

Official Colours

CMYK 0-100-29-0
PMS 213

Black 100%

Pure white

If these colours cannot be used,
assign the darkest colour
available.

Contrast

Whether the logo is used on a coloured background, a photo, or a video, it must always be displayed in a way that maximizes contrast to ensure it is easily visible. NOTE: The pink logo may only be used on a pure white background.
