KENAUK NATURE (ENR. 850188)

Canoe-Glamping is a new addition to the Kenauk Nature offering. This new package allows visitors to explore Lake Papineau and enjoy a glamping experience in the heart of nature. The itinerary takes 2 to 3 days. From the marina, it takes 5 kilometers to reach the site. This distance can be covered within 1,5 to 2 hours. During their stay, visitors are invited to discover the rich biodiversity of Kenauk Nature. The *Canoe-Glamping* site can accommodate up to 14 people and can be privatized for groups.

ONIRO

LA FORÊT RÊVÉE

PARC OMEGA

Parc Omega will be offering a new nocturnal journey: a unique immersive and sensory experience combining projections, sound and light effects in the heart of a magnificent natural setting. Through a contemplative and playful stroll, this dreamlike journey explores the invisible links between living beings and immerses us into the dreams of animals. Visitors are invited to follow the journey of ONIRO, the lost wolf cub, through a fairytale wonderland. This poetic evocation of the dream world is an invitation to rediscover nature from a new angle, one of magic, emotion and harmony.

CORPORATION DE PLEIN AIR LA LIÈVRE

The *Corporation de plein air la Lièvre* will be offering a 16-kilometers descent of the river. A shuttle service will be available, and watercraft can be rented. They are equipped with inclusive and adapted nautical equipment to enable people with special needs, reduced mobility, disability, undergoing rehabilitation, seniors and in loss of autonomy to enjoy this activity. This approach promotes accessibility and is in line with the fundamental values of sustainable tourism.

CHAMPBOISÉ REGIONAL PARK

Right in the very heart of L'Ange-Gardien lies Champboisé Regional Park, offering visitors a unique artistic immersion in a natural setting. The 165-acre site, located on the banks of the Lièvre River, is home to the *Sentier des Arts*: a trail featuring over a dozen monumental carvings, created by internationally renowned artists, harmoniously integrated into the landscape. This year, the *Sentier des Arts* added a new carving by Jonathan Bouchard, entitled *Béatitude*.

NATURE À TABLE

The Outaouais outfitters have integrated unique culinary experiences such as outdoor meals, local product tastings and interactive workshops. These initiatives showcase the region's rich cultural and gastronomic heritage. Choosing a gourmet outfitter means discovering Outaouais forest products, taking part in culinary workshops, tasting boreal flavors, wild meat, craft beers, honey, spices and more. Children's workshops are also organized. New outfitters are joining the project this summer.

COURGES ET CIE

Courges et Cie will be inaugurating an ice cream parlor, a new boutique and a donut shop in June. Ice cream products will be available on site. New play structures will be available for children, and the new mini farm will be completed. The establishment will add *panuozzos*, wood-fired Italian sandwiches, and new pizza varieties to its Farmer's Bistro menu, and at least one new beer will be created, including a pumpkin red. The Market Gardener ÉCONOMUSÉE®: gourds and pumpkins will be inaugurated over the summer, and the official launch is scheduled for September.

SQUARE OLD CHELSEA

La *Terrasse du Square* will add a central covered bar, lounges, a pergola and a family-friendly area. The central covered bar will seat 40. Picnic tables, small structures and games will be set up in the family area to entertain children. Mexican-inspired dishes will be added to their menu. The establishment will also offer new refreshments made with spirits from *Distillerie du Square*. The *Crèmerie du Square* will offer soft-serve ice cream with flavors inspired by the *Distillerie's* spirits.

C'EST BON OTTAWA

C'est bon Ottawa offers visitors a unique gastronomic experience in the heart of Old Hull. On a guided tour, visitors will discover Old Hull's finest restaurants, take part in a blind tasting and sample selected beverages. Exceptional products will be served, and the history of the city of Gatineau will be shared. They provide a tour in which the chefs' stories take center stage and where interactions with facility owners is encouraged. A unique way to discover the region's culinary culture.

ORIGINE AVENTURE (ENR. 628159)

Origine Aventure offers unusual accommodations in the heart of nature. Located in Ripon, they have a mini cabin on pile foundation that can accommodate 2 to 3 people. Thanks to the dwelling's gigantic windows, it is possible to observe nature discreetly from what serves as the master bedroom. Private hiking trails are also found on the property, and dogs are allowed on the premises.

CENTRE D'ART POPULAIRE DU QUÉBEC

From May 16, the *Centre d'art Populaire du Québec* will be offering a unique immersive sensory experience, including *Les oiseaux du paradis*, featuring birds carved by Michel Paradis. Visitors will also be able to travel inside a 3D quilt created by Dominique Ehrmann, an artist whose work is exhibited in Cape Cod. This is a world premiere. A fiddler in action, created by Firmin Falardeau, will allow traditional music to resonate in the Centre's Garden. Visitors can also discover a surprising exhibition by Florent Veilleux, master of pataphysics and Recycl'Art!
